

Greetings to all our friends and supporters

This year has certainly brought its challenges, yet through it all, God has shown us His unfailing faithfulness. Even in moments when some of us felt discouraged, we witnessed His provision again and again.

One of the most uplifting testimonies has been His provision for the church auditorium roof. Seeing the pillars and struts now standing and knowing that the iron sheets are going up this week, has been a tremendous source of motivation and inspiration to us all.

We extend our heartfelt thanks to everyone who has contributed to this project. Your support, prayers, and generosity are making a lasting difference.

Schools are now on holiday, and our church is filled with many young people. As always, they are joyfully serving in various ways—visiting the elderly, sharing the Gospel through door-to-door evangelism, participating in praise and worship, helping with ushering, and taking part in many other ministries. Their enthusiasm and dedication continue to be a great blessing to the church and the community.

EBENEZER CHILDREN'S HOME

Now that schools are closed, Ebenezer Children's Home is once again full and lively. This year, we have welcomed several very young children—between the ages of three and five—due to increasing family challenges and the early loss of parents. Out of the 34 children currently in the home, five are under the age of five.

As you can imagine, caring for little ones requires extra time, patience, and responsibility as we help them settle, feel secure, and adjust to their new home. We thank God for the grace He has given us to care for them, and for the way He has gently helped them adapt to this new family.

WORD ACADEMY

We give thanks to God for His faithfulness and for your continued support throughout the years. Because of your prayers and generosity, we've seen great progress and many success stories in our school this year.

At the start of the year, there was much to be done – from completing the curriculum to improving infrastructure and staffing. By God's grace, we have finished the academic year strong.

The third term, being the shortest of the year, still provided wonderful opportunities for growth and fellowship.

As part of the national environmental initiative, every school is required to maintain a **tree-planting program**. This year, we planted 1,000 trees of various kinds. The event helped learners understand the importance of caring for creation and protecting our environment.

We were honoured to be the only school chosen to represent our country in this year's **Mental Health Education** program. Our learners participated through public speaking, drama, and dance presentations – improving their confidence, creativity, and social skills while raising awareness on mental wellness.

This year marked our **15th Early Childhood (ECD) Graduation Ceremony!** It was a joyful occasion as learners from ECD successfully transitioned to primary school, demonstrating strong mastery and skills. We celebrate their hard work and growth.

As a Christian school, we depend on God in everything we do. Before any major activity or event, we take time to commit it to Him in prayer. This year, we held a special Prayer Day for our learners who were sitting their National Exams. Parents, guardians, and siblings joined in this

NEWSLETTER: NOVEMBER 2025

meaningful event. We are reminded that it is only by God's grace that one can overcome life's challenges and emerge victorious.

Looking Ahead - As we prepare for 2026, our focus remains on strengthening curriculum delivery and improving infrastructure.

We thank you for your continued prayers and support – together, we are raising a generation grounded in faith, knowledge, and hope.

CONFERENCE

Over the years, we have been hosting an interdenominational conference for our region—an event that began with fewer than one hundred people and has now grown to more than two thousand attendees. This year's conference will take place from the 26th to the 30th of November.

We are honoured to welcome speakers and praise and worship leaders from overseas as well as from across Africa. Expectations are very high, and because of the powerful testimonies shared by those who attended in previous years, we now have participants coming from Uganda, Nairobi, and several other urban centres.

We eagerly anticipate all that God will do and are believing for His glory to touch our village in a profound and lasting way.

BRANCH CHURCH

Nyapiedho branch church recently received a wonderful blessing from one of its members. After being compensated for a road accident, he chose to donate part of the funds toward tiling the church floor as an act of thanksgiving to God. His generosity has encouraged the entire congregation.

Pastor George Okewa has also built a strong and dedicated leadership team, and together they are contributing significantly to the growth of the church—both spiritually and numerically. We thank God for the unity, commitment, and fruitfulness evident in this fellowship.

WOMEN'S MINISTRY

The women in the church have continued to do well in their projects. They have made a profit and have been able to expand their collection of utensils. Their committed service has earned them a strong reputation in the community.

They are now organised into three distinct groups—Silver Group, Golden Group, and Courageous Group. With this structure, they have become more proactive and competitive in the catering market in a positive and constructive way.

We are praying that next year they will be able to acquire a pick-up vehicle to support their growing catering work and make their movements easier.

CHRISTMAS GIFTS WITH A DIFFERENCE

As we approach the festive season, we invite you to be part of our **Christmas Gifts with a Difference** project once again. If you would like to give a gift that brings real change, this is a wonderful opportunity to make a difference in the lives of children, families, and widows in Kenya.

The **Christmas Catalogue** is attached for your information. Thank you for sharing the joy of giving this Christmas!

We want to express our heartfelt thanks to each of our sponsors and supporters. Your kindness and generosity have enabled us to care for so many children and extend blessings to others in our community. Truly, we could not do this without you.

We wish you and your families a blessed Christmas and a Joyful New Year.

*Lots of love
Anna & Family, Paul, Vivian & Family and the team of AWM*
